BUILDING A FAIRER, GREENER BOROUGH

Haringey Labour

Your local Labour team

working to make Stroud Green a better place to live

Improving Parkland Walk

Participating in the co-design process to make the **Parkland Walk** safer, more accessible and sustainable.

Keeping children safe

In April, we launched a school street scheme for **Stroud Green Primary,** to make it safer for children to walk, cycle and wheel to school.

Tackling dangerous driving

Working to stop heavy goods vehicles using **Lancaster Road** as a cut-through with improved signage.

Investing in our parks

Refurbishment repairs to the **Finsbury Park** toilets.

New cycle hangars being installed across Stroud Green

8 new bike hangars (which can hold 6 bikes each) are to be installed across the ward this year on **Ferme Park Road, Inderwick Road, Marquis Road, Mayfield Road, Nelson Road, Ridge Road** and **Upper Tollington Park.**

Engaging with the Police

Attending regular meetings for residents with the local police at **Stroud Green Primary School,** so residents can engage directly with the police, raise concerns, and hear about what is being done to keep the public safe in the area.

We would love to hear from you!
